S916 Madison Bedroom

The Madison collection is the essence of casual chic. Contemporary but very livable, the pieces feature a grey-white wash on ash veneers that highlights the character of the wood. Panel overlays on drawer fronts as well as headboard and footboard provide dimension and interest. Nickel hardware has a square drop ring design that echoes the panels and adds a modern touch. If you live near the coast or wish you did, Madison can provide a relaxed beachy vibe to any home.

- Quartered ash veneers
- Brushed nickel square drop ring hardware
- Dovetail drawer construction
- Sanded and sealed drawer interiors
- Ball bearing metal side guides
- Breakfront design on the dresser
